Discover how easy it is to create your [perfect dream home](#).

At Tempo we specialise in knockdown home rebuild projects on the Mornington Peninsula and throughout Melbourne. We provide an all-inclusive service for the replacement of your tired old home with a custom built home beyond the ordinary.

Located in the heart of the Mornington Peninsula, we pride ourselves on not just creating exceptional homes – we help you to build the lifestyle you've always wanted.

Through our partnership with local architects and planners we provide clients with seamless integration of design flexibility, project management and high quality home construction.

With more than 10 years' experience in knockdown and home rebuild, we can guide you through each step of the way. Our seamless 5 step process is very straightforward, flexible when you need it to be and above all, transparent. Our fully integrated service incorporates careful planning, detailed client communication and solid advice, which is reflected in the quality of our work and the finishes of every home.

Rebuilding a new home on your current block of land.

If you're thinking about a home rebuild, there are many things you'll need to consider before you start. Planning regulations, street frontage, setbacks, easements and overlays are just the beginning. Then there's the exciting things like the selection of materials, colours, fixtures and fittings.
